Dear <Mr./Ms. customer last name>:

As one of our valued customers, your <ABC Company> team already enjoys quality uniforms, low prices and great service. *Now imagine enjoying extra revenue too...*

Our new Preferred Customer Affiliate program earns you extra dollars towards worthy <company name> programs, events or any other "wish list" goal...without any time, effort or cost on your part.

It's so easy: you allow us to add our small UA link to your current website, and in return, enjoy **10% of all sales** generated from that link.

There's nothing you need to do: just call or email us with your approval:

- We set up your link for you....
- We keep track of all clicks, sales and payments...
- You deposit the checks we send you....

Not familiar with UA? Although <abc company> is one of our preferred customers, we may be serving a different department than yours. If that's the case, I've enclosed a short summary package to acquaint you with our 20+ year reputation and products.

Given our strong track record with <abc company> you can feel confident that you're recommending a resource your web visitors can trust....

Which worthy programs could use those extra dollars?

- *Thank you parties and incentives for your hard-working team?*
- *An employee recognition program?*
- *Maybe a worthy charity in your community?*

Just call me on my direct line: I'd be happy to answer any of your questions and get you started quickly.

Best Regards,
SIGNATURE
