

Eliminate Your Cash Flow Worries *Right Now!*

Pearce Financial Group delivers the cash you need immediately, to handle your pressing payroll, taxes, and other business demands – at the lowest rates available!

Discover The **6** Powerful Pearce Advantages You Won't Find Anywhere Else:

1. Fast, Reliable Cash Flow – Without Any Business Interference

We do not take over your payroll, records, or invoice processing. In fact, your clients have absolutely no contact with us at all. Simply show us your accounts receivable and we'll quickly eliminate your financial worries at a surprisingly low rate. Your company remains in complete control.

2. The Lowest Funding Rates Available!

Unlike a typical bank loan, Pearce Financial Group delivers the money you need weekly – and you never have to write a check to repay it. Plus, we keep you in constant touch with daily, weekly, and monthly reports that help you track your financial progress accurately.

Best of all – the more effectively you manage your accounts receivable, the lower your rate!

3. Free Consultations and Fast Approval – Within 24 Hours!

There are no "sign-up" fees, complicated approval processes, or "red-tape" at Pearce Financial Group. Just generous credit terms and fast approval!

4. Easy Credit Terms

We generously consider every application, regardless of past credit status. Even if you've filed for bankruptcy, have IRS problems or bank borrowing limitations – give us a try!

5. Unlimited Funding When You Need It Most!

Whether you're a brand new "start-up" or an established high volume staffing company, Pearce Financial Group will always be there for you – to help fund your growth and strengthen your profitability.

We're proud of our many client relationships that continue to last for many prosperous years.

6. Complete Confidentiality – Guaranteed!

With over 30 years of experience in the Staffing Service Industry, we understand and respect the need for absolute confidentiality. We are privately owned and operated – and not affiliated with your competitors in any way. So, you'll do business with us in complete confidence, knowing that your company is fully protected.

Your Money Will Always Be There When You Need It.
