**Your Ownership ADVANTAGE...**

Look at the vacation pleasures you'll enjoy as a Wyndham Vacation Resorts or WorldMark by Wyndham owner...

**Great Accommodations...** Step up to a roomy 1, 2, or 3 bedroom vacation condominium instead of a small hotel room. Enjoy the comforts of home with living rooms with media fun galore; elegant dining areas; fully-stocked kitchens, (hello, midnight snack) and private bedrooms with pleasures like private spas.

**Amazing Places...** Picture your dream destination: chances are, many of our 750,000 owners have already been there! Ownership gives you limitless opportunities to see the country - and the world.

**Your Vacation: designed YOUR way...** Travel when you want, for as long as you want... whether that's a romantic weekend for two or a week-long family reunion.
