

The sun hasn't changed in a billion years, but the way you're about to see it just has...

The Hottest Looks Under the Sun.

Slip on the right pair of shades and the power is yours. Set the tone. Express your mood. And show the world that you're in complete control. Whether you're playing to win or just playing it cool, SunGear has the attitude you're looking for – and the image everyone else will be looking at. Explore the many sides of SunGear. It could be the start of a whole new you.

Style to Spare.

From contemporary metals to classic frames with a distinctive flair, SunGear comes with a look for every style. SunGear's Fashion assortments feature distinctive silhouettes, colors, and details – all of which embody the finest in sophistication and style. With SunGear's Sport collection, you can choose a polarized glass lens which shields you from the fiercest solar glare or wrap yourself in extreme attitude with the bold designs of a mirrored polycarbonate sport wrap. With SunGear, you'll change the way you see the world... and the way the world sees you!
